

## **Vocabulary Teaching Strategies**

- Teach synonyms/antonyms
- Rewrite definitions in their own words
- Provide example sentences
- Provide non-examples
- Discuss differences between new word and related word
- Have students create sentences
- Use more than one word in a sentence
- Discuss meaning of the same word in sentences
- Create a scenario (word or picture story)
- Create silly questions
- Use discussion to teach word meaning
- Use Word Walls (for high frequency words)
- Practice word sorting
- Make keyword associations
- Use graphic organizers
- Involve students actively in word learning
