

Fluency

Student Activities' Descriptions

1. Word recognition - Listen to a sentence being read and choose the correct word.
2. Select multiple games on word endings, word recognition, poetry, rhymes, and riddles
3. Select computer-assisted Read-Alouds in various reading genres.
4. Choose a multitude of books (some with sound and some without sound) to gain fluency and practice reading strategies.
5. Read along with stories to build fluency.
6. Listen to stories as students follow along with the text on the screen.
