

Interviewing an Experienced Adult

1. What is the name of the person you interviewed?
2. How do you know this person?
3. Why is this person good at budgeting?
4. What items did this person suggest you include in your budget? How much money should you put towards these items? (Remember to ask about car insurance).
5. Did you learn anything else during your interview? If so, include this advice or information in the space below.
